

UNDERSTAND THE ACRONYMS

THESE FLEET ASSOCIATIONS FOCUS ON DIFFERENT SPECIALIZATIONS AND LOCATIONS.

CCFMA – CALIFORNIA COUNTY FLEET MANAGERS ASSOCIATION

- **Founded:** 1989
- **Focus:** California county fleets
- **What It Offers:** Networking and benchmarking
- **Leadership:** Tom Fung, acting president
- **Meetings:** None for last the last couple of years due to travel restrictions by counties
- **Membership:** 21 fleet members; 2 vendor members
- **Website:** www.ccfma.org

PEMA – PUBLIC EQUIPMENT MANAGERS ASSOCIATION

- **Founded:** 1988
- **Focus:** Public fleet managers and vendor members in Northern California
- **What It Offers:** Information and networking, but the main focus is training, with the annual PEMA School drawing up to 200 students
- **Leadership:** David Renschler, CFPF, president
- **Meetings:** Monthly
- **Membership:** 128 government fleet members; 40 associate members
- **Website:** www.pema-ca.org

FLAGFA – FLORIDA ASSOCIATION OF GOVERNMENT FLEET ADMINISTRATORS

- **Founded:** 1978
- **Focus:** Association for government fleet administrators within the State of Florida
- **What It Offers:** FLAGFA offers ongoing on-site training for member technicians, the Dan James Scholarship program for youth interested in careers in fleet management, consulting services for local governments, networking resources for members, and professional development through a CAFM scholarship program.
- **Leadership:** Paul Starling, president
- **Meetings:** Two conferences that include vendor exhibits
- **Membership:** 207 regular members; 35 associate members (government employees related to fleet); 422 affiliate members that include public utilities services, suppliers, and supporters
- **Website:** www.flagfa.org

MEMA – MUNICIPAL EQUIPMENT MAINTENANCE ASSOCIATION

- **Founded:** 1952
- **Focus:** Southern California-based public fleets, with members in various parts of the country. Membership consists of fleet managers and employees as well as associate vendor members.
- **What It Offers:** Best industry practices, education, training, equipment specifications, environmental trends, outreach programs, grant opportunities, and an annual equipment and vehicle display
- **Leadership:** Rick Longobart, president
- **Meetings:** every other month
- **Membership:** 296 fleet members; 244 associate members
- **Website:** www.memasocal.org

NCSFA – NATIONAL CONFERENCE OF STATE FLEET ADMINISTRATORS

- **Founded:** 1986
- **Focus:** Association for state and university fleet managers and directors throughout the United States
- **What It Offers:** Monthly webinars & roundtable sessions
- **Leadership:** Jeannie Wilson, president
- **Meetings:** Annual business meeting at the NAFA I&E
- **Membership:** 96 fleet members; 29 corporate members
- **Website:** www.ncsfa.wildapricot.org

PFSA – PUBLIC FLEET SUPERVISORS ASSOCIATION

- **Founded:** 1959
- **Focus:** Designed to effect and encourage the free interchange of knowledge pertaining to the management, maintenance, and repair of motor vehicles and equipment operated by public agencies in Northern California
- **What It Offers:** Discussion about equipment procurement, law enforcement equipment upfitting, emergency and public works equipment display, California emissions regulations, and training opportunities. The association holds an annual equipment and vehicle showcase and an annual golf tournament with the local NAFA chapter.
- **Leadership:** Doug Bond, president
- **Meetings:** Every other month
- **Membership:** 94 fleet members; 82 vendor members
- **Website:** www.pfsa.org

PFMA – PUBLIC FLEET MANAGERS ASSOCIATION

- **Founded:** 1993
- **Focus:** Provides additional education and to answer questions for fleet managers working in public-sector fleets in Washington and Oregon.
- **What It Offers:** PFMA provides an avenue to fleet personnel to have questions answered relating to fleet issues and examples of policies and procedures that have been written by other fleet organizations. The intent is to decrease the amount of time new managers spend researching fleet issues.
- **Leadership:** Fred Chun, president
- **Meetings:** Every other month
- **Membership:** 115 member organizations
- **Website:** www.pfma.info

RMFMA – ROCKY MOUNTAIN FLEET MANAGEMENT ASSOCIATION

- **Founded:** 1976
- **Focus:** Five chapters in Arizona, Colorado, Nevada, Texas, and Utah. Members come from both public and private agencies, and the focus is not just on fleet managers but all levels of an agency's fleet organization.
- **What It Offers:** Part of the association's mission is education and networking. It offers mentorship programs and scholarships to further education in the fleet industry, from high school students to technicians to fleet directors, and holds an annual conference.
- **Leadership:** Bob Patterson, president; Israel Garza, chairman of the board
- **Meetings:** Chapters hold quarterly meetings
- **Membership:** 786 regular members; 462 associate members
- **Website:** www.rmfmfma.org
